TO ADMINISTRATORS OF CATHOLIC UNIVERSITIES AND COLLEGES AND TO THE ADMINISTRATORS AND MEMBERS OF THE CAMPUS MINISTRY OF CATHOLICS UNIVERSITIES AND COLLEGES IN THE UNITED STATES:

Dear brothers and sisters in Christ,

With this letter, I commend to you the Vatican photographic exhibit entitled, "The Eucharistic Miracles of the World," which is being promoted by the Real Presence Eucharistic Adoration and Education Association, of which I was the Spiritual Advisor, until my transfer to the Roman Curia. The exhibit in question is a comprehensive presentation of all of the approved Eucharistic miracles in the Catholic Church, throughout the centuries. The doctrinal part of the presentation of each of the Eucharistic miracles is deep and solid. Those who have been privileged to view the exhibit have found it to be a strong instrument for the increase of Eucharistic faith and of a practical love of the Holy Eucharist. In that sense, the exhibit is a worthy instrument of the New Evangelization.

It is my hope that the Catholic college or university which you serve will open its doors to the Vatican exhibit, "The Eucharistic Miracles of the World." I can assure you that hosting the exhibit at your Catholic college or university will bring many blessings to the administration, faculty, staff and student body.

Asking God's blessing upon you and your apostolate of Catholic higher education, I remain

Yours sincerely in Christ,

A handwritten signature in dark ink, reading 'Raymond L. Burke'.

Supreme Tribunal of the Apostolic Signatura
